**Subject: The International Conformity Certification Program  
for the Kingdom of Saudi Arabia (KSA ICCP).**

Dear Hussain Kamal,

Thank you for your application and documentation.

Please find enclosed the Statement for Registration KSA R-204722 and the invoice with applicable ICCP-fees. Also included is a copy of the Registration. Please use this form when applying for revisions in the future. We will send the originals by mail.

To maintain the integrity of the Registration system a complete evaluation of the documentation will be performed randomly in a follow-up process. Such process will be separately invoiced.

A completed Request for Certification and a copy of the Statement for Registration must be sent to the KSA ICCP Country Office together with full details of the shipment to get a Certificate of Conformity before exporting to Saudi Arabia. This is required for each shipment. Please visit the web page [www.iccp.com](http://www.iccp.com) for contact details of the KSA ICCP Country Offices.

If the goods are shipped from a country other than yours, please contact the CO in (or nearest to) the country of export.

We remind you that this Statement in no way reduces your full responsibility for your products exported to Saudi Arabia.

Yours sincerely,
